spcl gr Recently I have seen a movie called "Mafia mom".
It's a comedy film about a woman finding out that
lex her grandfather died and she inherited his mansion
and business. After finding out that she is a new mafia
boss, she denies and tries to leave. But after a few
assassination attempts she rethinks and gives her new
mafia family a chance.

The actors were amazing in the film. I managed to
recognise two of them from other movies, which made
me want to finish it. The emotions actors gave
were fascinating. The shifts from serious faces to some
silly ones and back made it really funny. If I was there
gr. I probably wouldn't hold my laugh. lex, w.o. pure

lex The movie didn't have much special effects, although
the props and some fight scenes looked so real and
cool. It had a strong take on visuals which looked
so beautiful.

Overall, this film is amazing! I had some good
laughs watching it and the plot was interesting. I
also really loved the ending. So I absolutely recommend
everyone to watch it! gr
